

FALS ROBOTIC SURGERY

*Pathway to
Precision Surgery*

29 NOV to 1 DEC 2024 | Ahmedabad

Venue:
Zydus Hospital,
Ahmedabad, Gujarat

DR SUBHASH AGGARWAL
President, IAGES
2024-25

Message from the President, IAGES

Welcome to IAGES, where we are dedicated to the advancement of minimal access surgery. We are excited to invite you to register for our upcoming FALS Robotic Surgery course, designed to enhance your skills and elevate your practice.

This course offers a unique opportunity to interact with both global and national leaders in Robotic Surgery. You'll gain invaluable insights into innovative techniques that improve precision, reduce recovery times, and enhance patient outcomes.

By participating, you'll not only refine your surgical skills but also connect with a network of professionals passionate about minimal access surgery. Whether you're a seasoned surgeon or just starting your career, this course will empower you with the tools and knowledge necessary to excel in this dynamic field of medicine.

Join us in shaping the future of surgery with robotics. We look forward to welcoming you to this transformative learning experience!

DR MANISH BAIJAL
FALS Board Chairman
IAGES

Message from the FALS Board Chairman, IAGES

Welcome to this unique FALS course, dedicated to advancing the field of robotic surgery. This is a comprehensive training program designed to equip surgeons with the skills and knowledge necessary to excel in this cutting-edge technology.

During this course, you will be guided by experienced surgeons and experts in the field. The curriculum emphasizes practical skills, innovative techniques, and the latest advancements in Robotic Surgery, ensuring you are at the forefront of this transformative discipline.

Participating in this program not only enhances your technical abilities but also fosters collaboration and networking opportunities with peers and leaders in healthcare. Join us in shaping the future of surgery and improving patient outcomes through robotic technology. We look forward to welcoming you!

Greetings!

We are thrilled to announce our upcoming Robotic Surgery Fellowship Program – FALS Robotics, under the aegis of IAGES. This 3-day event is sure to elevate your perspective on Robotic Surgery, enabling you to offer the most precise surgical solutions to your patients.

In today's surgical landscape, Robotic Surgery has established itself as a cornerstone of innovation and precision. This fellowship program is designed to provide you with an in-depth understanding of cutting-edge robotic surgical techniques, hands-on experience with all state-of-the-art robotic systems, and insights from leading experts in the field. We aim to connect you with fellow professionals and expand your network within the exclusive Robotic Surgery community.

An exciting highlight of this program is a *never-before-held* Porcine Model Workshop. This hands-on workshop will give you the opportunity to practice and refine your robotic surgical techniques under the guidance of a mentor.

We have meticulously curated this program for surgeons and trainees who are passionate about integrating robotic technology into their daily practice, improving patient outcomes, and advancing their surgical skills.

Spots are limited, so we encourage you to register soon to secure your place in this invaluable, one-of-a-kind learning experience!

With that, we warmly welcome you to Amdavad!

This course is designed to train senior or advanced laparoscopic surgeons and to keep members up to date with recent advancements in advanced laparoscopic procedures. FALS courses are organized in various subspecialties such as Hernia, Bariatric Surgery, Upper Gastrointestinal Surgery, Colorectal Surgery, Oncology, HPB Surgery, and Robotic Surgery.

(A) FELLOWSHIP CATEGORIES

Eligibility Criteria: IAGES MEMBERSHIP IS MUST.

Those who are not members may apply for membership online. See the website www.iages.in for more details. Members of collaborating associations who have signed an MOU with IAGES are also eligible. They are expected to get their application endorsed by the respective collaborating association prior to joining the course.

1) NON-EXAMINATION CATEGORY

Surgeons who have been performing laparoscopic surgery in the chosen field for 10 or more years are eligible for the Non-Examination Category. Candidates should have performed more than 100 laparoscopic surgeries in the chosen subspecialty and need to submit a logbook to substantiate their claim. All candidates will be interviewed by the IAGES board for final assessment before the fellowship is awarded.

2) EXAMINATION CATEGORY

All surgeons with a minimum of 3 years of experience in the chosen specialty of laparoscopic surgery (this includes experience in laparoscopy as a postgraduate surgical resident). The applicant should have performed over 25 laparoscopic procedures in the chosen specialty either jointly or independently. All candidates must appear for an MCQ assessment and a Viva by the IAGES FALS board for final assessment during the forthcoming annual national conference before the fellowship is awarded.

(B) NON-FELLOWSHIP CATEGORY

The FALS course is also open to non-members and all surgical postgraduates and interested surgeons worldwide under the Non-Fellowship Category. They are eligible to take this course and receive a Certificate of Completion for the FALS course. They can register and participate in the annual national conference as postgraduates or in the Nonmember category.

Logbook

Age/Sex/Surgery/Role/Post-op Course/Complication/Remarks

Role - Assisted/Under supervision/Independent (as a dropdown)

Post-op course - Uneventful/Eventful (as a dropdown)

Complications - Infection, Bleeding, Leak, Stricture, bstruction, Others (type if others) (as a dropdown)

Remarks - Type the outcome of the event, whether the patient has been conservatively managed, recovered, deceased, transferred, etc.

Assessment of FALS fellowship candidates/Exam category will be conducted by the IAGES Central Office. The candidate is expected to know all important facts in the chosen subspecialty of laparoscopic surgery.

Online Exam Timings: 60 minutes

Maximum number of marks: 100

The Online Exam will consist of 100 MCQ questions (single best response type).

PRACTICAL EXAMINATION:

Interview/assessment for approximately 10 minutes for each candidate. The candidates are divided into batches and are interviewed by two or more of the senior-most faculty members of IAGES, depending on the number of candidates. A maximum of 50 marks is allotted for the interview.

The outcome of the written and practical assessment will be prepared by the organizing team, signed, and sent to the President, with a copy to the Hon. Secretary's Office and the FALS board. The results will be published on the IAGES website.

Successful candidates are expected to attend the subsequent annual conference and convocation to receive the fellowship certificate. The fellowship certificate will be posted to the candidate if he/she fails to attend two consecutive annual congresses/convocations.

FALS ROBOTIC SURGERY COURSE MODULE

Introduction to Robotic Technology & Individual systems

Essentials of Robotic Surgery

Upper GI Surgery - Benign & Malignant

Colorectal Surgery - Benign & Malignant

Speciality Discussion - Thoracic Surgery, UroSurgery&Gynecology

Finances in Robotics

Patient Counseling in Robotic Surgery

Starting a Robotic Surgery Program

Bariatric Surgery

HPB Surgery - Benign & Malignant

Hernia - AWR

Keynote Address

Inauguration Ceremony

Panel Discussion: Robotic Complications & their Management

Virtual Live Workshop

Evaluation of Participant video entries

MCQ Exam for Exam Category

Viva for Non-Exam Category & Exam Category

REGISTRATION FORM

DETAILS

Title: Prof. Dr. Mr. Ms. Mrs.

Full Name* _____

Email ID* _____

Mobile*

Gender: Male Female

Birthday* _____

Year of passing MS/DNB General Surgery* _____

Category* Fellowship - Exam Fellowship - Non Exam CME
 PG Trainee PG Trainee Porcine Training & Simulation

Only those who have completed 10 years after passing MS/DNB will be eligible for Non Exam category. (Year of passing prior to 2014)

IAGES Membership Number* _____

Address: _____

_____ City: _____

State: _____ Country: _____ PIN:

Phone (STD/ISD) Code: _____ (O): _____ (R): _____

Primary Place of Practice* _____

Position* _____

Are you trained in Robotic Surgery YES NO

Do you practice Robotic Surgery YES NO

Which Robotic System do you commonly operate on
 Da Vinci Xi Da Vinci S Versius
 Da Vinci X Mantra Hugo
 Da Vinci Si

REGISTRATION DETAILS

CATEGORY	FEES
FALS Robotics - Exam Category	18,880 INR
FALS Robotics - Non Exam Category	18,880 INR
FALS Robotics - CME	8,260 INR
FALS Robotics - CME - International Surgeon	275 USD
FALS Robotics CME - PG Trainee	5000 INR
Porcine Simulation & Training	35,000 INR

(Kindly contact the organizing team prior to payment. The slots are booked as of 12th October 2024)

All mentioned charges inclusive of GST

PAYMENT DETAILS

Payment Type: By Cheque / DD By Cash By NEFT

Amount: _____ In Words: _____

Cheque / DD No. / NEFT ID: _____ Cheque / DD / NEFT Date: _____

Bank Name: _____ Branch: _____

Kindly send DD or Cheque In favour of 'FALS ROBOTICS' payable at AHMEDABAD Branch along with Registration Form to Conference Secretariat (Please Mention your name, city and mobile number behind the cheque or DD).

Bank details for NEFT:

Bank: HDFC **A/C No.:** 502 000 9802 0858

Branch: Surdhara Circle, Ahmedabad **IFS Code:** HDFC 000 6536

After the NEFT transfer please send us the duly filled Registration Form via registered post or e-mail
